Dalifal - Distribuição de Produtos Alimentares, Lda.

Started as an intern in the marketing department and, in 2024, took over responsibility for the company's entire creative department.

- Designed the packaging for Neutura's new Skewers and Migas products, with a bolder concept that opened a new visual direction for the brand.
- Redesigned the interface of the new Até Ti website, based on an analysis of the previous site to decide what to improve.
- Ensure visual identity consistency for Neutura, Até Ti and Dalifal across all formats and platforms.
- Create visual content, from social media posts to flyers and labels, including vehicle graphics and event decoration for Neutura.
- Manage social media for all three brands of the company, from planning to content creation.
- Support the marketing strategy with email campaigns, copywriting and promotional materials for the website.
